The "LUXEMBOURG OPEN 2024", an international agility tournament, will be held on 09, 10 and 11 August 2024 in Differdange. The canine club "AMATEURS DU CHIEN DE RACE DIFFERDANGE" sets the rules concerning the procedure, as well as the organization of the "LUXEMBOURG OPEN 2024". The Open starts on Friday afternoon. On Friday morning there will be a tournament in grade 1. This will be advertised separately.

For the main tournament a maximum of 400 starter teams in the 4 standard classes SMALL, MEDIUM, INTERMEDIATE and LARGE will be accepted. Dogs have to be in grade 2 or 3 on the day of the event. Since there are no grades (open), all participants are equal. All dogs are allowed with and without a pedigree.

Every dog runs 2 jumping and 2 agility courses on the weekend. The three best dogs per run will be awarded with a prize. On Sunday there is a final.

The final will feature 30 Large, 15 Intermediate, 15 Medium and 15 Small dogs.

From each run, the 3 first Large as well as the 2 first Intermediate, Medium and Small dogs reach the final. If a dog qualifies with more than 1 run for the finals over the run rankings, this place will be occupied by the next dog in this run.

In each run, a maximum of 50% of the dogs get points.

Example: In a run with 100 dogs, the first gets 100 points, the second gets 98 points, the third gets 96 points, and so on... so, the 51. gets no more points. The point ranking of the dog is equal to the total of the points of all 4 runs.
